Old Business	Update Annual Town Meeting- Mr Miller asked the Town Administrator what was found out about the meeting. We are unable to hold a zoom meeting unless you get a court order to do so. Mr Larabee asked about the possibility of outside. Due to the timing of the meeting it is logistically impossible. Mrs Martin-Sterling has spoken to Jeff Cody who is in charge of the audio and he will be able to have an over flow room in the Cafeteria. It was suggested that the overflow room is used for residents who are unable to wear a mask. The Board agreed that would be best. Discussion continued regarding the set up of the meeting.
