MASC Policy Newsletter

Michael J Gilbert, Field Director – Policy Development

June 2017

This policy newsletter will cover a number of topics. Most individual policy changes are posted as Word documents on the "Updated/New Policies" page on the MASC website and in the MASC Policy Reference Manual which is also available on the MASC website.

Updated MASC Policy Reference Manual

Just as School Committees should do, the MASC Field Staff spent considerable time over the last year reviewing and updating the MASC Policy Reference Manual. The changes are detailed below and **copies of these updated policies are available in the Online Policy Reference Manual on the MASC website**. Many of these changes, especially those that say "updated language", are cleaning up grammar, adding or changing legal references and cross references or other minor edits. You can cut and paste individual policies from the Online Reference Manual and to share individual policies for review with subcommittee members, administrators, or others you can hyperlink to individual policies by clicking on the globe at the top of each policy page.
