## **SAVE Task Force Community Information Forum**

### **Fire & EMS Services**

The SAVE Task Force will host a community informational forum focused on Berkley Fire and EMS services.

Residents are invited to attend, ask questions, and hear directly from the Fire Chief about how Fire and EMS operate, current challenges, and how the town's structural budget deficit is impacting public safety services.

This forum is intended to provide accurate, factual information to help residents better understand Fire and EMS operations and budget-related impacts.
