**SAVE Task Force Community Information Forum  
Berkley Library Department**

The SAVE Task Force will host a community informational forum focused on the Berkley Library Department.

Residents are invited to attend, ask questions, and hear directly from the department, how it operates, its current challenges, and how the town's structural budget deficit is impacting public services.

This forum is intended to provide accurate, factual information to help residents better understand library operations and the budget-related impacts facing the department.
