Matt Chabot
Town Administrator
Town of Berkley
1 North Main St.
Berkley, MA 02779

Dear Matt Chabot,

We are pleased to announce that under the Governor Maura Healey and Lieutenant Governor Kim Driscoll Administration, a bill has been filed to authorize a total of \$1.2 billion in local Chapter 90 Program funding over four years. This reflects a continued annual commitment of \$300 million. This multi-year authorization seeks to enable communities to better plan investments in local transportation systems to reach long-term goals. Under this filing, communities will receive an annual apportionment of the overall annual program budget based on two distribution formulas. \$200 million will be distributed by the traditional Chapter 90 formula (local road mileage (58.33%), population (20.83%), and employment (20.83%)), and an additional \$100 million will be distributed by a factor of road mileage only.

This filing demonstrates the Administration's continued support in strengthening municipal partnerships and providing financial resources that support transportation improvements at the local level.

This letter certifies that, contingent upon legislative approval of the \$1.2 billion multi-year bond authorization, Berkley's Chapter 90 apportionment for Fiscal Year 2027 is \$440,250.31.

Once the bill is enacted, this apportionment will automatically be incorporated into your existing Chapter 90 contract with MassDOT with no further action needed by the municipality. Apportionments for all communities are available online at www.mass.gov/chapter-90-program. Please note that while the bill enacting these funds has been filed, the funds are not available for municipal use until final legislative approval is obtained.

The Chapter 90 Program is an integral part of maintaining and enhancing your community's infrastructure and is an essential component of our state-local partnership. We look forward to working with you in the coming year to continue the success of this program.

Sincerely,

GOVERNOR MAURA T. HEALEY
