

Berkley 250th Celebration – Save the Date & Get Involved

We're excited to share that the Town of Berkley is preparing to celebrate America's 250th Anniversary on **June 28, 2026** at the Berkley Common from **10:00 am to 10:00 pm**. This is shaping up to be a really special day for our community, and we hope you'll be a part of it.

As we get closer, there are a few ways you can get involved:

Honor Garden

As part of our 250th Celebration, we will be creating a Berkley Honor Garden on the Common. This will be a special display of flags honoring loved ones, including veterans, active service members, family members, and others who hold a meaningful place in your life.

Each flag will include the name of the individual being honored and will be displayed on the Common leading up to and during the celebration. It's a powerful way to recognize those who have made an impact in our lives and in our community.

If you would like to participate in the Honor Garden, additional details and registration information can be found on our webpage.

Berkley Common Classic 5K Registration

We're kicking off a brand-new tradition with the Berkley Common Classic 5K. The race will start and finish right at the Common and take runners through some of Berkley's beautiful country roads. We'd love to see strong participation for our first year.

Volunteers Needed

We're also looking for a few people to help lead key parts of the day, including children's activities, the apple pie baking contest, and social media posts for the celebrations page. If you're interested in getting involved, please email jvincent@berkleyma.gov.

This is truly a community-wide effort, and we appreciate your support in helping make it a success. Please feel free to share this information with friends and neighbors who may not receive town communications.
